## MAP

### Distribution of Materials :

The display or distribution of any material in any form from any area within the venue, other than banner sites and within the boundary of your stand, is strictly prohibited.

### Noise

To ensure that disturbance to Exhibitors and delegates is kept to a minimum the Organisers will enforce the following sound and music regulations for the duration of the event.

- Any company wishing to play music on their stand must have the appropriate licence(s). GEMA fees need to be paid by the exhibitor directly to GEMA - it is the exhibitors' responsibility to do this. Contact details are available via the Important Information in the Appendix.
- The Event Organisers reserve the right to alter/restrict sound levels on any stand at any time during the tenancy period of the event.
- Please give consideration to your neighbouring Exhibitors at all times. Security

### Security :

- Although every reasonable security precaution is taken throughout the tenancy period of the event, the Event Organisers cannot be held responsible for any loss, damage or accident, which may occur to any exhibitors (or their Contractors), property or personnel. We strongly recommend that any valuable items e.g. handbags, mobile phones and laptop computers are kept under constant supervision, (especially during build-up and breakdown) and removed from the Exhibition Hall each evening.
- Please survey your own area for any suspicious packages, bags etc. If you see anything suspicious, contact a member of the venue, Security or Organising staff. Please ensure that you have suitable insurance cover for yourself, your staff and your property.
- The Octanorm System will be used, which consists of 4mm hardboard panels (wood with white coating) positioned in white aluminium frames. Please note that these are not load bearing walls and it is forbidden to affix anything to the panels using nails, screws or glue. Any damage caused to the panels will be charged directly back to the exhibitor.
